A Lifetime of Music

MEMO: To All Bryston Customers

SUBJECT: RMAF – Bryston Middle T Active Demo Oct. 2017

Hi James,

We stopped at your room all three days, and every time the sound gets better, better, and better!

I had to ask if there were really speakers in the room as I was visualizing the music instead.

Wow, that active cross-over takes those already fabulous Middle T's to the next level.

I turned my head in disbelief of the realism and jumped out of my seat many, many times!

You and the Bryston team continue to amaze me.

Thanks!!

Best,
Marc
