SUBJECT: The New 4B Cubed Review - Soundstage

June 2017

Hi Folks,

Please see below the link to a superb review on our new Bryston 4B Cubed amplifier from Roger Kanno of Soundstage Magazine

Favourite Quote:

“I was blown away by its amazing transparency, absolute control, and very smooth, very linear sound. In my system, its sound was nearly flawless -- no matter what I listened to.

I couldn't imagine the sound being much better, at least in terms of accurate reproduction.”
