

A Lifetime of Music

MEMO: To All Bryston Customers

SUBJECT: Bryston BCD-3 Stereophile Review

July, 2017

Hi Folks,

Excellent review on the new Brytson BCD-3 CD Player from the August 2017 Stereophile Magazine.

Here's my 2 favourite quotes from the review:

- "This Bryston CD player's measured performance reveals superb audio engineering."
- "I came to regard it as that rarity of rarities: a high-end CD player without apparent flaw."
